**Come celebrate the Foundation's

the U.S. Border Patrol's 100th  
Anniversary!**

**The mission of Border Patrol Foundation (BPF) is to honor the memory of fallen U.S. Border Patrol (USBP) agents and provide support and resources to the families. BPF provides support to Border Patrol employees, USBP agents and their families for on- and off-duty deaths, injuries, illnesses, family medical emergencies, special circumstances and student scholarships. The funds raised at this annual event go to building our family services programs and help provide a financial bridge when families are dealing with a loss or a tragic event. Since 2009, nationwide, we have donated over \$2.1 million dollars in support to the families and over \$728,000 in scholarships.**

**With your support BPF has the ability to provide immediate assistance to the families of the fallen and support requests for assistance in a timely manner.**
